## MEDIA RELEASE

ACCF is pleased to announce the ACCF Women's Conference and Celebration Dinner will be held on Tuesday, 11 June 2019 at NSW Parliament House and Amora Hotel Jamison Street, Sydney respectively.

The primary focus of this conference is to meet and engage in conversations with women from all walks of life who share common background as a migrant and each has a unique and inspirational story to tell. Their experiences and contributions in politics, business, academic, arts, home-making, community services and many other industries in Australia will provide valuable insight on how to rise above challenges related to their integration into society to reach the heights of success. It is also a community initiative of ACCF to promote multiculturalism as being one of the objectives of the Foundation.

There will be a celebration dinner to follow in the evening at Amora Hotel Jamison Street, Sydney. The night will include multicultural performances and opportunities to meet, network and be inspired by migrant women who have played a significant role in today's multicultural society.
