## **ACCF FLOOD APPEAL AND PRESS RELEASE**

The recent sudden record flooding in NSW mid-north coast have caused immense hardship for our community. Many businesses and family homes have been inundated in water, with thousands still isolated without food and power amid this unprecedented disaster.

More than 2,500 personnel, including 2,200 SES volunteers have responded to the calls for help. As telecommunications have also been affected by the flooding, workers have been door-knocking residents. 15 evacuations centres were set up, including Dungog, Gloucester, Taree, Wingham, Kempsey, Coffs Harbour and Port Macquarie.

In this regard, the Australian Chinese Charity Foundation (ACCF) would like to play our part in helping the affected communities. Many people and businesses have lost everything. We appeal to our network of members, supporters and friends to donate generously for the purpose of assisting with the disaster recovery and providing community support to those in the current flood disaster areas. We would also encourage and welcome other organisations and associations to donate and join ACCF in this community effort.

**All donations received will be directed to our nominated beneficiary - The Salvation Army.**
