2025 FLOOD RELIEF APPEAL

The May 2025 sudden record flooding in NSW mid-north coast has caused immense hardship for our community. Many businesses and family homes have been inundated with thousands still isolated without food and power.

Australian Chinese Charity Foundation (ACCF) wishes to extend our helping hand to those affected communities. We are raising a Flood Relief Appeal and the Salvation Army is chosen to be the beneficiary organization. At present, they are running 13 evacuation centres at Church Halls, Community Halls and Clubs at the flood affected areas providing emergency meals and essential supplies, financial and counselling support, coordination with government and different agencies such as Food Banks and SES. Gradually, they will be moving into assisting the recovery mode as families are starting to move back into their flood affected household as the rain eases off. Apart from donating \$50,000 from ACCF to Salvation Army,

Hudson Chen KC*HS Memorial Grant also donate \$10,000 to support the affected people in rebuilding their homes. We were grateful to all following organisations and individuals to participate in this Relief effort. In total, \$71,000 was donated to Salvation Army.

- Australian Chinese Restaurant Association
- Hudson Chen KC*HS Memorial Grant
- Anne Bi
- Urban Stellar
- Coco Zhou
- Cindy Yeung
- Eileen C Liu
- YIHE Construction
- Gloria & Henry Cheung

A heartfelt thank you for the original donation of \$50,000 from The Australian Chinese Restaurant Association when they hosted their fund-raising charity dinner to celebrate 15th anniversary. ACCF was selected as the sole beneficiary for this charity event. in recognition of our partnership and support over the years. It was truly heartwarming to celebrate this special milestone together. INTERVIEW BY 2CR RADIO & 2AC RADIO

In the context of Australia's multicultural society, the Australian Chinese Charity Foundation (ACCF) has been committed to "To Foster Love, Care & Harmony in the Community " since its establishment in 1990 and is committed to becoming a charitable platform that connects the community and serves the public. Our chairman Dr Michael Tse recently interviewed by 2CR Radio and 2AC Radio to share ACCF's charity journey stories and its core values.

Dr Michael Tse mentioned that despite its name, the Australian Chinese Charity Foundation (ACCF) does not solely serve the Chinese community. He emphasized that ACCF offers assistance regardless of race or background, with a mission to support the well-being of all Australians. We aim to provide welfare services and financial assistance to people in need and to foster multiculturalism in the community.
